## ELECTION/RESTRICTION and AMENDMENT

Commissioner of Patents  
Washington, DC 20231

Sir:

In response to the Office Action dated September 17, 2001, having a shortened one month statutory period for response which expired October 17, 2001, we have attached a petition to extend the reply time. We request that you please accept the following amendments and remarks as to the above-identified patent application:

## IN THE CLAIMS:

2. (amended) A complex according to claim 1, wherein said parachute structure comprises hydrophilic moieties, and said hydrophilic moieties [are preferably sugar residues that] have a defined action diameter, and wherein said action diameter can be achieved by a branching unit to which said hydrophilic moieties are bound.
